Children's Residential Care Practitioner, Specialised Teaching Assistant, Oxfordshire, Witherslack Group

August 12th, 2024 — Present

After working as a Care Practitioner at a children's care home within the Witherslack Group to explore the psychology of education outside of a school setting, I transitioned to the onsite school this October as a specialised teaching assistant to support all children on all three home sites. I am working with a systematic approach and applying psychology into my daily work with children and my colleagues to provide a better environment for the young people with complex needs to thrive and realise their potentials.

Student Support Leader/Manager, Winchester, Oxford International Summer School

June 30th, 2024 — August 1st, 2024

As the only Student Support Leader on camp, I worked closely with the Student Support Manager (which I had to step up to become for a week), the Senior Leader Team, the 12 Activities Leaders, Group Leaders, College Staff and of course the 9-17yr old international students. This is a 24/7 residential role.

Education Support Worker at REED, Oxfordshire, Lancaster

October 2023 — June 28th, 2024

From **October**, I worked as a cover teacher for three secondary schools across Lancaster, Morecambe, and Blackpool, along with working across nurseries and day-care centres. Additionally, I have experience as a residential support worker for children in care homes during weekends and holidays. Since **November 2023**, I worked full-time as a teaching assistant at **Stepping Stones** for 6-months, a behavioural-based **SEN short-stay Primary School** in Lancaster. Many of our pupils have been permanently excluded from mainstream, and our goal is to support their development and prepare them for reintegration, closely following the guidance provided by their educational psychologists. I assist the Class Teacher with lesson delivery, safety, and support for children with ASD, ADHD, trauma, and attachment issues, including physical intervention when necessary. I ensure that pupils receive tailored alternative provisions while adhering carefully to the national curriculum. Through this role, I have gained extensive experience working with children with ASD and following EHCPs, whilst applying the theories and practices daily from my ongoing training. From the beginning of **May** to the end of June I worked as a support worker at **Springfield Special-Needs Secondary School** in Witney, working closely with pupils with extreme autism, down syndrome cerebral palsy, etc.
